Topic Levels 2-4, Paul Van Loey

De profundis: We'll try to imitate the impressive sound of an organ, with music from different styles and periods... from Sweelinck through Beethoven/Mozart to Piazzolla! Tenors and lower instruments only

Topic Levels 4-5, Joris Van Goethem

Basically Bach: Cantata movements, fugues, organ works and more, all arranged for recorder consort. A refined selection and some own arrangements that fit the sound palette of a recorder ensemble. We will play some pieces at eight-foot ensemble.

Topic Levels 2-5, Sarah Jeffery

Improvisation and instant composing: Terms such as 'composing' and 'improvising' may sound daunting, but with the right tools, everyone can do it. These simple exercises can be the gateway to unlocking your creativity. You will experiment with sounds, learn how to structure your ideas, and ultimately create a new piece of music together!

Topic Levels 1-5, Sandra Foxall

Keeping it in the Family: Exploring the works of Giovanni Gabrieli and his uncle, Andrea. Some multi-choir works will be looked at amongst a variety of other pieces.
